## Project Description:

The second Local Contexts Summit and film premiere will be held on 28 November NZST.

The Summit will bring together people from across the Local Contexts community with a focus on Indigenous authority, control, and governance in the archive and sciences.

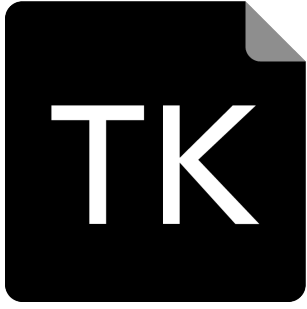

Community representatives will share about the implementation of Traditional Knowledge and Biocultural Labels in their community contexts as well as how they envision the potential of the Labels. Institutions and researchers working with the Engagement and Disclosure Notices will discuss changing workflows and the importance of developing and maintaining ethical and reciprocal relationships with communities.

We are applying a TK Notice to the livestreams and recordings of the Summit.

## Project Notices

## Traditional Knowledge Notice

The TK (Traditional Knowledge) Notice is a visible notification that there are accompanying cultural rights and responsibilities that need further attention for any future sharing and use of this material. The TK Notice may indicate that TK Labels are in development and their implementation is being negotiated.

### Pānui Whakamārama TK (Māori)

Ko tā te Pānui Whakamārama TK, he āta whakaatu, tērā ētahi tikanga ā-iwi me ōna haepapa ki runga i te whakamahinga, i te horapatanga hoki o tēnei taonga. Kei roto hoki pea i tēnei Pānui TK, ko te kōrero e mea ana, tērā ngā Tohu TK e waihangatia ana, ā, kei te whiriwhirihia tonutia tōna whakatinanatanga. Mō ētahi atu kōrero mō ngā Pānui Whakamārama TK, pāwhiritia i konei.
