BC Provenance (BC P) Sample Label (Sample Community)

This SAMPLE Label is being used to affirm an inherent interest Indigenous people have in the scientific collections and data about communities, peoples, and the biodiversity found within traditional lands, waters and territories. [Community name or authorizing party] has permissioned the use of this collection and associated data for research purposes, and retains the right to be named and associated with it into the future. This association reflects a significant relationship and responsibility to [the species or biological entity] and associated scientific collections and data. This is a sample Label that is only used for example purposes.

TK Multiple Communities (TK MC) (Sample Community)

Responsibility and ownership over this material is spread across several distinct communities. Use will be dependent upon discussion and negotiation with the multiple communities named herein [insert names]. Decisions about use will need to be decided collectively. As an external user of this material you are asked to recognize and respect cultural protocols in relation to the use of this material and clear your intended use with the relevant communities.

TK Attribution (TK A) Sample Label (Sample Community)

This SAMPLE label is being used to correct historical mistakes or exclusions pertaining to this material. This is especially in relation to the names of the people involved in performing or making this work and/or correctly naming the community from which it originally derives. As a user you are being asked to also apply the correct attribution in any future use of this work. This is a sample Label used for example purposes only.
