### TK Attribution (TK A) (Te Roroa)

This TK Attribution label is being used for the recognition and proper crediting of the sources of this knowledge. This means acknowledging Te Roroa, who originally developed, preserved, and shared this knowledge.

It involves respecting the intellectual and cultural property of Te Roroa and ensuring that their contributions are not only recognized but also that they retain control over how their knowledge is used and shared. Attribution is crucial in avoiding the appropriation of Indigenous knowledge, ensuring that it is not misrepresented or used without permission.
